

ಶ್ರೀ ಡಿ. ಎಚ್. ರುದ್ರಪ್ಪ.—(ಇ) ಗೇ ಉತ್ತರವಾಗಿ ಪೀನಲ್ ರೆಂಜನ್ನು ವಸೂಲ್ ಮಾಡಿದ್ದರೆ ಅದನ್ನು ಅಂತಹ ಅಧಿಕಾರಿಗಳಿಗೆ ವಾಪಸ್ ಕೊಡುತ್ತೀರಾ ಎಂದು ಕೇಳಿದುದಕ್ಕೆ ಅಂತಹ ಪಿಚಾರಗಳು ಯಾವುದೂ ಇಲ್ಲ ಎಂದು ಹೇಳಿದ್ದೀರಿ, ಕಾರಣವೇನು?

† Sri M. N. NAGHNOOR. — We will go into the individual cases and then examine, because in certain cases, we have waived such penal rents after being convinced that there was *bona fide* need for officers to stay over there.

ESTABLISHMENT OF NEW INDUSTRIES IN THE MYSORE STATE

*Q.—375. Sri V. P. DEENADAYALU NAIDU (Cubbonpet).—

Will the Government be pleased to state :—

(a) whether it is a fact that new Industries are to be started in Mysore ;

(b) if so, which are the industries and where are they to be started ;

(c) whether Government have considered the impact of such industries in the cities on the—

(i) civic amenities ;

(ii) to solve the unemployment question ;

A.—Sri B. D. JATTI (Chief Minister).—

(a) Yes, it is a fact that new Industrial undertakings are to be established in Mysore State.

(b) Please see the list appended.

(c) (i) As far as possible the Industries are fairly dispersed throughout the State keeping in view the aspect of civic amenities.

(ii) Employment would be provided to a total of about 20,000 persons chiefly as under:—

		<i>New undertakings</i>	<i>Probable employment</i>
Bangalore	...	14	3,910
Bijapur	..	1	800
Dharwar	...	1	120
Mysore	...	3	925
Gadag	...	1	150
Davangere	...	1	150
Bellary	...	1	800

(Sri B. D. Jatti)

(A) New Industrial Undertakings coming up in the State.

Sl. No.	Name of the Applicants	Location	Products
1	2	3	4
1	Mysore Cements Ltd., 19, Race Course Road, Bangalore-1.	Ammasandra, Tumkur District	Cement
2	Bharat Plywoods & Timber Products, Cannanore.	Mangalore	Commercial Plywood.
3	Mandya National Paper Mills Ltd., 4/3, Kensington Road, Bangalore-1.	Belagola in Mandya District.	Paper, pulp.
4	Bijapur District Central Co-operative Bank Ltd., Bijapur.	Bijapur District.	Cotton yarn.
5	Jairamdas and Sons, 163, Narayana Dhru St., Bombay-3.	Bangalore	Twist Drills Taps.
6	Sundatta Foods and Fibres Ltd., Temple Bar Building, 70, Forbes Street, Bombay-1.	Harinar	Rayon Grade pulp, cellulose acetate flake.
7	M/s. Agromore Co., P.B. 105, Bangalore.	Bangalore	Insecticides. Fungicides, etc.,
8	Canara Workshop. Ltd., P.B. No. 12, Mangalore-3	Mangalore	Spring Steel, Tool Steel.
9	Jairamdas and Sons, 111/118, S.J. Park Road, Bangalore-2	Bangalore	Hand Tools, Small Tools.
10	Narayandas and Bros., Oil Mills, Nehru Ganj, Gulbarga.	Gulbarga	Oil cakes
11	Mysore Fruit Products Ltd., Rajajinagar, Bangalore.	Bangalore	Jams, Jellies Marmalades, Preserves, Squashes, Cordials & Juices Canned fruits and Vegetables Chutneys Sauces and pickles.
12	M/s. International Instruments (P) Ltd., 20/A4, Jayachamaraja Wodeyar Road, Bangalore.	Bangalore	1 Automatic panel instruments 2 Tacho-graphs.

- 13 M/s. Modern Mills Ltd., Temple Bar Building, 70, Harihar
Forbes Street, Bombay-1.
- 14 M/s. Ruby Rubber Works Ltd., Rubynagar Chan-
gan-cherry (Kerala).
Bilekanahalli,
Bangalore
South Taluk.
- 15 M/s. M. G. Prothers, Automobile Engineering and
Coach Builders, Cellary-2.
Bangalore
- 16 M/s. Chamunda Chemicals & Fertilisers, Ltd., V.V.
Munirabad
Bangalore
- 17 M/s. Karnatak Paper Mills Ltd., South End,
Bangalore.
Dharwar
- 18 M/s. Ideal Java (India) (P) Ltd., Bombay, Mutual
Annexe, Cowasji Patel Street, Bombay-1.
Mysore
- 19 M/s. Bhagawan Daga 8/1, Burdwan Road,
Calcutta.
Bangalore
- 20 M/s. Ugar Sugar Works Ltd., Ugar Khurd District
Belgaum.
Ugar Khurd
- 21 M/s. Dharwar District Co-operative Oil Seeds Pro-
cessing Society Ltd., Gadag.
Gadag
- 22 M/s. Alkmbic Glass Industries, Ltd., Baroda-3 ...
Bangalore
- 23 M/s. Natwarlal Shamaldas & Co., 91, Meadows
Street, Bombay-1.
Dandeli (N.K.)
- 24 M/s. Greater Mysore Royan Grade Pulp and Paper
Mills, Ltd., Brigade Road, Bangalore-1.
Siddalagundi
(N.K.)
- 25 M/s. Pioneer Equipment Co. (P) Ltd., 139, Meadows
Street, P.R. 1909 Bombay-1.
Bangalore
- 1 Cellulose Acetate filament.
2 Cellulose acetate staple fibre.
Tyre Retreading materials.
Coil springs for automobiles, Diesel
engines, etc.
Superphosphate Sulphuric acid.
MFMG writing, printing and wrap-
ping paper pulp.
Motor Cycles.
Sanitary-ware and Household
ceramics. Walls floor tiles,
accessories and bathroom fix-
tures.
Writing and Printing paper pulp.
Cotton seed oil.
Glass bottles.
Straw Boards pulp.
Royan grade pulp.
Microscopes Surveyors levels,
Theodolites.

1	2	3	4
26	M/s. National Royan Corporation Ltd., Ewart House, Bruce Street, Bombay-1.	Nanjangud ...	Royan grade pulp.
27	M/s. A. G. Senapathy & Co., 14, Tannery Road, Bangalore.	K. R. Sagar or Nanjangud.	Electrical Insulation Board pulp.
28	M/s. Swadeshi Cotton Mills Co. Ltd., P.B. 19, Swadeshi House, Kanpur.	Kudchi or Bagalkot.	Cuprammonium filament yarn sulphuric acid.
29	Sri Magaji Dhondusa, 2c, Santhusa-pet, Chickpet, Bangalore-2.	Dasarahalli near Bangalore.	Cotton yarn.
30	M/s. The Sandur Manganese & Iron Ores (P) Ltd., Sandur House, Palace Road, Bangalore.	Sandar ...	High grade manganese slag and/or spiegleisen and/or ferromanganese and or silicomanganese and/or pig iron.

(B) Licence proposed to be granted.

1	Sri G. N. Shah, Mudhol, District Bijapur ...	Mudhol in Bijapur Dist.	Sugar.
2	M/s. Kilachand Devichand & Co. (P) Ltd., 45/47, Appola Street, Bombay-1.	Gangavati in Raichur Dist.	Sugar.
3	M/s. The Mysore Chipboards Ltd., 2909, Temple Road, V. V. Mohalla, Mysore.	Mysore ...	Chipboards.

(C) Pending Applications of important new Industrial Undertakings.

1	Chief or Promoter, Proposed Co-operative Sugar Factory, Gaumibidnur (District Kolar).	Gouribidnur ...	Sugar.
2	M/s. Natwarlal Shanaldas & Co., 94, Meadows Street, Bombay-1.	Londa, Belgaum Dist.	Electrolytic Manganese
3	M/s. Motor Industries Co., Ltd., Bangalore ...	Bangalore ...	Spark plug insulators.

4. **M/s. Krishna Flour Mills, Old Tharagupet,** Bangalore. **Munirabad** ... Paper from bagasse.
5. **Sri K. Seetharamaiah, Chief Promoter, Yelanadu,** Taluk Hiriya. **Hiriya** ... Sugar.
6. **Sri Maraji J. Vaidya, United Bank of India Building, Sri P. M. Road, Bombay-1.** In North Kanara 1 Alumina, 2 Aluminium products. 3 Aluminium semifabricated products.
7. **M/s. Ideal Jawa (India) Ltd., Bombay Mutual annexe, Bombay-1.** Mysore ... Scooters.
8. **Dr. R. Nagan Gowda, Kamalpur, Taluk Hospet ..** M. Kamalpur. Sugar. (Bellary Dist. co-op. sector).
9. **M/s. Mysore Sugar Co., Ltd., Bangalore** ... Maddur ... Sugar.
10. **Sri H. S. Hosmani, Chief Promoter, Mugatkhan Hubli Co-operative Sugar Factory.** Mugat-Khan Hubli ... Sugar.
11. **M/s. Chandramana and sons, Davanagere.** Davanagere ... Wheat Flour and other products.
12. **Sri M. Y. Ghorajade, M.A. (Cant.) M.L.A., Sandur House, Palace Road, Bangalore.** Bellary Dist. ... Pig iron including iron castings and pipes.
13. **M/s. A. Warrier Ltd., 42, Upper Grosvenor Street, Grosvenor Square, London W1** Whitefield, Bangalore ... Ovaltine.
14. **M/s. Fried Krupp WIDIA FABRIC, Essen Federal Republic Germany.** Bangalore ... Sintered hard metal (tungsten carbide).
15. **M/s. Bellary Central Co-operative Stores Ltd., Bellary B-21 of Bellary.** Bellary (Co-op. sector) ... Cotton yarn.

Sri V. P. DEENADAYALU NAIDU.—Sir, in the appendix to the answer, item 3 c), The Motor Industries Co. Ltd, Bangalore—spark plugs—This item has been brought under pending applications of important new Industrial undertakings. I wish to know whether this Industry is already not in existence and been running since in Bangalore since 1952?

† **Sri B. D. JATTI.**—There might be some change in the production; otherwise they would not have applied, because we have recommended for licence.

Sri V. P. DEENADAYALU NAIDU.—It is an expansion. It is not new undertaking.

Sri B. D. JATTI.—If already the industry is in existence, for any expansion they should apply through the Government of Mysore. That is why it is kept pending.

Sri V. P. DEENADAYALU NAIDU.—If it is only an expansion, it should find a place in the original list A. I do not see anywhere this name in that list.

Sri B. D. JATTI.—It is possible because, we have shown it under pending applications, it might not have been shown there. It is possible.

Sri V. P. DEENADAYALU NAIDU.—Have the Government taken an assessment of the factories that are coming into existence, taking the kind of raw materials and other resources available, as to what are the industries that should be set up—apart from the applications that come forward? Have the Government kept in view what are the industries that should receive priorities in order that there may be a planned development of Industries.

Sri B. D. JATTI.—Whenever new applications come, at that time, we will consider whether they are new industries and whether they will complete with the existing industries. If they are of that type, Government will not accept. Otherwise, Government will recommend and support.

Sri V. P. DEENADAYALU NAIDU.—Has it not come to the notice of Government that after the starting of these industries, the position regarding housing and water and other amenities has been badly affected and thereby the people have been affected by these industries. At the time of granting licences has Government made any attempt to see that these things are also taken into consideration?

Sri B. D. JATTI.—Government is considering very seriously while recommending any application for licence that the industries should be dispersed in the rural areas as far as possible. Only if it is impossible to put up such an industry in any other area and if it is absolutely necessary to put it up in Bangalore and we are likely to lose that industry not otherwise, that we recommend an industry to be

located in Bangalore. Otherwise we take into consideration all the amenities which are necessary and all the difficulties in getting those amenities.

Sri J. P. SARVESH.—May I know why no new industries are taken up in Gulbarga, Raichur and Bidar Districts and why they are completely neglected in this matter?

Sri B. D. JATTI.—If the private people come forward Government is prepared to co-operate and help and give all possible assistance. In Gulbarga we have decided to start an industry. It is nearly complete. In Bidar Government has started a co-operative sugar factory. If many private people come forward in these areas, Government will surely help them to start new industries.

Sri J. B. MALLARADHYA.—You have given in answer to (c)(ii) the number of new undertakings and the probable employment. Are these figures of employment potential included in the final draft of the third plan figures that you have furnished or are they excluded?

Sri B. D. JATTI.—This figure of 30,000 is the probable number of employments which will be created by the end of the third plan in the industries which are to be started and which have been started just now.

Sri J. B. MALLARADHYA.—When you draw up the plan for the third five year plan for industries for the State you assumed some figure of employment potential. At that time were these figures taken into consideration or are these figures outside the purview of the figures shown in the plan?

Sri B. D. JATTI.—I cannot exactly reply now because I will have to look into it.

Sri RAMAKRISHNA HEGDE.—The Chief Minister has said on several occasions that there will be a fertilizer factory in the State either in the public or private sector. I do not find its mention in the list that has been given here. May I know whether this idea has been given up?

Sri B. D. JATTI.—This idea has not yet been given up and it will not be given up. We will get a fertilizer factory.

Sri RAMAKRISHNA HEGDE.—From this list we find that most of the people who have been given licences or whose applications are pending before the Government, are all outsiders. Have the Government taken necessary steps to encourage local entrepreneurs to start new industries?

Sri B. D. JATTI.—Government will do its best to encourage and co-operate with local entrepreneurs to start new industries.

ಶ್ರೀ ಎಸ್. ಸುಬ್ಬಯ್ಯನಾಯಕ್.—(ಬಿ) ಪ್ರಶ್ನೆಗೆ ಉತ್ತರವಾಗಿ ಪರಿಶಿಷ್ಟರೂಪದ ಭಾರತ ಫೆಸ್ಟಿವಲ್ ಅಂಡ್ ಟಂಟರ್ ಪ್ರೊಡಕ್ಷನ್ ಮಂಗಳೂರಿನಲ್ಲಿ ಸ್ಥಾಪಿಸಲಾಗುವುದು ಎಂದು ಹೇಳಿದ್ದೀರಿ. ಇದಕ್ಕೆ ಬೇಕಾದ ಮರ-ನ್ನು ಖಾಸಗೀ ಜನರಿಂದ ಒದಗಿಸಲಾಗುತ್ತೋ? ಅಥವಾ ಸರ್ಕಾರದಿಂದ ಒದಗಿಸಲಾಗುತ್ತೋ? ಅದನ್ನು ಖಾಸಗೀಯವರೇ ಒದಗಿಸಿಕೊಳ್ಳಬೇಕೇ ಅಥವಾ ಸರ್ಕಾರವೇ ಒದಗಿಸಿಕೊಡುತ್ತಾರೋ?

Sri B. D. JATTI.—If the people come forward and if raw material is available Government will supply.

Sri S. D. KOTHAWALE.—The Government of India wants to start a cheap motor car factory in the public sector. Has this Government taken any steps to see that the cheap motor car factory to be started in the public sector is located in Mysore State particularly in Bombay area?

Sri B. D. JATTI.—The Government of India has not yet decided. After the decision is taken, the question of locating the factory will arise. At that time we will also try along with other State Governments.

Sri J. B. MALLARADHYA.—The Chief Minister made statement in a press conference that between Hubli and Dharwar there is likely to be started a motor industry?

Sri B. D. JATTI.—I did not make such a statement before the press. I had been to Gadag. At that time the municipality while giving a representation had mentioned—I think it was Sri K. P. Gadag himself who mentioned it—that it is likely that the Janata Motor Industry should be located somewhere between Hubli and Dharwar, and I said that I would try.

Sri M. C. NARASIMHAN.—If you add up the figures that you have given against the various places in (c) (ii) you do not get the total of 30,000 which you have mentioned as the employment potential. The figures do not come to more than 6,000 or 7,000.

Sri B. D. JATTI.—I have not given the names of all the districts. That is why it is said “chiefly as under.”

Sri K. P. GADAG.—Have the Government taken measures to decentralise industries?

Sri B. D. JATTI.—Yes. Government is trying to set up industrial estates in all the district headquarters or taluka headquarters wherever it is possible. If raw material is available in rural areas we will try to help the rural areas in getting new industries.

Sri C. K. RAJAIAH SHETTY.—Is it not a fact that you promised to give power to several industrialists at the time of starting their industries and later on you failed to give power in time?

Sri B. D. JATTI.—Wherever Government give a promise, it has not failed. If they had depended upon the probability, then there might have been difficulties for them.

Sri C. K. RAJAIAH SHETTY.—Is it not a fact that the private people are not coming forward because they are not getting power and also because the cost of imported raw materials in Mysore is much higher than in Madras or Kerala?

Sri B. D. JATTI.—Regarding imported raw materials, we get our quota in proportion to our demand. Regarding supply of electricity, if they want to purchase diesel engines and generate their own Government is prepared to help them.

Sri C. K. RAJAIAH SHETTY.—Is it not a fact that the cost of diesel engine power on the basis of the capital investment and working cost, will come to much more than the cost of hydel power ?

Sri B. D. JATTI.—That is why Government is prepared to either purchase the diesel engines and give them the engines on rental basis or if they themselves purchase and produce their own electricity, we may meet some part of the cost, say one-third or so, as that will help them to reduce their cost.

Sri B. L. NARAYANASWAMY.—Since how long is the Mysore Fruit products Ltd., working ?

Sri B. D. JATTI.—I do not know exactly.

Sri B. L. NARAYANASWAMY.—Why is it not brought under (B) ?

Sri B. D. JATTI.—Wherever there is expansion programme we will have to bring it down the list.

Sri A. R. BADRINARAYAN.—Is there no proposal to start a time piece industry in Dharwar ?

Sri B. D. JATTI.—There is no proposal before the Government.

Sri MALLIKARJUNASWAMY.—What happened to the proposal to start a raw film industry by Government in Mandya ?

Sri B. D. JATTI.—Government will produce the raw material for the raw film industry. As regards the location of the industry in Mandya, we are trying.

Sri G. VENKATAI GOWDA.—Will not Government start an industry in the public sector if there is sufficient raw material available in the area and if the necessary facilities are available there, but there is no initiative for it from the private sector ?

Sri B. D. JATTI.—In such cases the initiative will have to be created by Hon'ble Members and then the Government will also help them.

Sri G. VENKATAI GOWDA.—In those areas where the people do not have the required capital, what is to be done ?

Sri B. D. JATTI.—They can form cooperative societies and register and then start the industry.

Sri G. VENKATAI GOWDA.—Even for starting a cooperative society a minimum of Rs. 50,000 has to be raised. What the local people cannot raise that, what is to be done ?

Sri B. D. JATTI.—Even if the people come forward with only 20 per cent of the value of the machinery, then the remaining 80 per cent will be supplied on hire purchase basis. There is no difficulty on that score.

9—30 A.M.

Sri B. L. NARAYANASWAMY.—In respect of item 1 at Table (c), may I know how long the application is pending.

Sri B. D. JATTI.—Since about 3 or 4 months.

Sri C. J. MUCKANNAPPA.—Out of the 30 industries mentioned in 'A' may I know how many have already been started and how many are pending?

Sri B. D. JATTI.—Most of them are working. If they have not started working, I will find out whether it is correct or not.

Sri J. B. MALLARADHYA.—On a previous occasion, when I asked a question, the Hon'ble Chief Minister, he gave me a list which contained a number of sugar factories. We all know what is happening. When India is exporting surplus quantities of sugar, even at a loss, incurring 300 to 400 rupees loss per ton, will Government reconsider the question of restricting the licences in respect of sugar factories in the interest of the economy of this State?

Sri B. D. JATTI.—The quota of sugar factories that was allotted to Mysore State under the Second Five-Year Plan is still there. Those applications are pending before the Licensing Committee and because there is some difficulty in selling sugar, the Licensing Committee has not met and it has not decided the question of issuing licences?

Sri J. P. SARVESH.—Has Government received an application from the Associated Cement Company, Shahbad, to start a fresh cement factory at Chitapur?

Sri B. D. JATTI.—I have no information.

Sri A. R. PANCHGAVI.—What is the scope for additional sugar production in the State?

Sri B. D. JATTI.—I have not got the calculations. We feel that we should have atleast five more sugar factories, preferably in the co-operative sector.

Sri RAMAKRISHNA HEGDE.—In view of the severe competition we are facing in respect of selling sugar....

Sri B. D. JATTI.—I had been to that place. I have seen it. Government is intending to encourage.

Sri R. CHENNIGARAMAIAH.—Since the leather industry is important, will Government consider starting it as Government concern?

Sri B. D. JATTI.—There is already one concern and we are trying our best to avoid losses there.

ಶ್ರೀಮತಿ ಕೆ. ಎಸ್. ನಾಗರತ್ನಮ್ಮ.—ಒಂದೇ ತರಹದ ಇಂದಸ್ಟ್ರಿಗೆ ಒಂದಕ್ಕಿಂತ ಜಾಸ್ತಿಯಾಗಿ ಒರ್ಬಿಗಳು ಬಂದಿದ್ದರೆ ಅಗ ನಮ್ಮ ಸ್ಪೋಟನವರಿಗೆ ಹೆಚ್ಚಿನ ಪ್ರಾಶಸ್ತ್ಯ ಕೊಡು ತ್ರೀರೋ ಅಥವಾ ಬೇರೆ ಸ್ಪೋಟನ ಒರ್ಬಿಗಳಿಗೆ ಪ್ರಾಶಸ್ತ್ಯ ಕೊಡುತ್ತಿರೋ?

ಶ್ರೀ ಬಿ. ಡಿ. ಜತ್ತಿ.—ಈ ವಿಚಾರವನ್ನು ಲೈಸೆನ್ಸ್ ನಮಿತಿಯವರು ಪರಿಶೀಲನೆ ಮಾಡುತ್ತಾರೆ. ಅಗ ನಮ್ಮ ಸ್ಪೋಟನ ಒರ್ಬಿಗಳಿದ್ದರೆ ಅವಕ್ಕೆ ಮೊದಲನೇ ಪ್ರಾಶಸ್ತ್ಯ ಕೊಡುತ್ತಾರೆ ಯಾರೂ ಒರ್ಬಿ ಹಾಕದೆ ಇದ್ದರೆ ಅಗ ಬೇರೆ ಸ್ಪೋಟನವರಿಗೆ ಲೈಸೆನ್ಸ್ ಕೊಡುತ್ತಾರೆ.

ಶ್ರೀಮತಿ ಕೆ. ಎಸ್. ನಾಗರತ್ನಮ್ಮ.—ಮೊದಲು ನಮ್ಮವರಿಗೆ ಎಕಕರೇಜ್‌ಮೆಂಟ್ ಕೊಡುತ್ತಾರೋ ಅಥವಾ ಬೇರೆಯವರಿಗೆ ಎಕಕರೇಜ್‌ಮೆಂಟ್ ಕೊಡುತ್ತಾರೋ ?

ಶ್ರೀ ಬಿ. ಡಿ. ಜತ್ತಿ.—ಸಾಧ್ಯವಾದ ಮಟ್ಟಿಗೂ ನಮ್ಮ ಸ್ಪೆಷಲವರಿಗೆ ಎಕಕರೇಜ್‌ಮೆಂಟ್ ಕೊಡುತ್ತಾರೆ. ನಮ್ಮ ಸ್ಪೆಷಲವರು ಯಾರೂ ಇಲ್ಲದಿದ್ದರೆ ಆಗ ಬೇರೆಯವರಿಗೆ ಉತ್ತೇಜನ ಕೊಡುತ್ತಾರೆ.

Sri R. CHENNIGARAMAIAH.—Since the leather industry is included in the Khadi and Village Industries Board, and since this industry is important, would Government consider the formation of a separate Board for the leather industry ?

Sri B. D. JATTI.—If I may reply off-hand, I do not think it is necessary to have a separate board. Already there are sufficient number of boards.

Sri V. P. DEENADAYALU NAIDU.—From the list furnished in the answer, I do not find even a single industry in the co-operative sector. Is it that the Government is not appreciative of the need to develop industries through co-operation ?

Sri B. D. JATTI.—If the Hon'ble Member wants a specific instance, there is the sugar industry. Already there are 3 co-operative sugar factories working and they have gone into production. Attempts are being made to start industries.

An HON'BLE MEMBER.—Is Government contemplating measures in lessening cost of production by starting industries for bye products obtained from the sugar industry, for example, by using molasses or bagasse ?

Sri B. D. JATTI.—Government has not only thought of it, but Government has actually proceeded in the direction. In Mandya, the Mysore National Paper Mill is to be started very soon and sugar bagasse is to be made use of. In Hugur we want to start another paper mill. In Bellary district, there is a proposal to start a paper mill using molasses and sugar bagasse. Similarly in Mandya, the sugar factory will convert molasses into alcohol and the alcohol is in turn to be converted into a acetic acid and the acetic acid is to be turned into film plates which will be the raw material for the film industry.

Sri M. C. NARASIMHAN.—May I know whether there is any concern, either in A, B or C, wherein the Government has invested capital or alternatively where the Government is participating as a share-holder and if so, the details of them ?

Sri B. D. JATTI.—The details are not with me now but wherever it is possible and whatever parties come to Government, Government is intending to participate upto 10 per cent.

Sri M. C. NARASIMHAN.—My question is if there any concern which is exclusively in the State sector or alternatively if there is any concern wherein the Government of Mysore is participating as a shareholder to the extent of 10 per cent or more ?

Sri B. D. JATTI.—In some of the concern, the Government is participating. To what extent, it is difficult for me to say just now. For example, there is the cement factory.

Sri C. S. HULKOTI.—Is it not a fact that there is large scope for starting bricks and tile factory in Dharwar district?

Sri B. D. JATTI.—Yes Sir, In Mundergi taluk.
(laughter).

Sri C. S. HULKOTI.—Will Government encourage that industry?

Sri B. D. JATTI.—Attempts are being made to start a co-operative spinning mill in Hu. li. We have three other proposals, one at Bijapur, one at Belgaum and one at Bellary. There is a fourth proposal at Raichur also.

Sri V. P. DEENADAYALU NAIDU.—What is the financial assistance and the loan that has been given during the last five years to the co-operative industries, or through the Financial Corporation. May I know to what extent Government is in a position to advance help to such industries?

Sri B. D. JATTI.—It is very difficult for me to say what exactly has been given or would be given in the form of shares or loan or subsidies. But the Financial Corporation which has been started here is advancing loans to all the new industries and also industries which are to expend. I am told that the amounts provided for in the second five-year plan has been given to most of the industries.

Mr. SPEAKER.—Question-time is over.

QUESTIONS FOR ANSWERS ON THE DAY

(but not taken up)

AMOUNT ALLOTTED TO LEATHER INDUSTRY BY THE MYSORE GOVERNMENT UNDER THE SECOND FIVE-YEAR PLAN.

*Q—318. Sri A. MUNIAPPA (Chickballapur).—

Will the Government be pleased to state:—

(a) the amount allotted to the Leather Industry by the Mysore Government under the Second Five-Year Plan and the amount spent;

(b) the amount allotted for the said Industry under the Third Five-Year Plan?

A.—Smt. LILAVATHI V. MAGADI (Deputy Minister for Rural Industries).—

(a) Amount allotted during the Second Five-Year Plan Period : Rs. 15.38 lakhs.
